

**FREE LUNCH & BREAKFAST
FOR ALL LISD STUDENTS DURING THE 2021-2022 SY**

LISD students will receive **free lunch and breakfast meals** during the 2021-2022 school year with special funding authorized by the United States Department of Agriculture. For meals to be free for students, they must be compliant with USDA regulations. Second meals and a la carte items are available for purchase.

Research shows students learn better when they are well nourished. Healthy eating has been linked to higher grades, better memory, more alertness, faster information processing, and improved health leading to better school attendance.

We encourage our students to join us for well-balanced, free meals in one of our cafeterias every school day. Our menus are available online at: <http://www.lacklandisd.net/departments/operations/>

CHILD NUTRITION NEWS

Even though all students are eligible for FREE meals this school, Lackland ISD will be accepting free and reduced applications. Families are encouraged to complete an application since it will benefit the school and qualify eligible students for potential P-EBT benefits and free meals during next year's 30-day carry over period. The information collected from the Free and Reduced Program is used to establish other federal funding rates such as the E-Rate program used for technology. Applications will be provided at the start of the school year and will be available at the front office or the cafeteria throughout the school year.
